Essentials to Know Before You Go

FUNPASS℠ Advance Registration

The U.S. Border Security Act requires Carnival to provide the Department of Homeland Security with specific guest information prior to departure. To comply, you must register in advance for your cruise by going online to carnival.com/mycruise and clicking on the FUNPASS icon. You will need your Carnival booking number, ship, and sail date to access your record. Once you complete the required fields of pertinent information, you will obtain a FUNPASS that will allow you to "fast track" through a documentation verification process at embarkation. If you do not have Internet access, you can send the information via fax. Contact Carnival Reservations at 866-236-6670 for the Advanced Registration Form. Failure to provide the information before midnight of the day prior to the departure date will result in embarkation delays.

Travel Documentation

The U.S. Government will soon require all of our guests (including U.S. citizens) to be in possession of a valid passport when traveling on any Carnival cruise. Foreign nationals should contact their respective governments to obtain further details. This requirement may become effective as early as summer 2008.

AIR TRAVEL

Passports are required for air travel to or from Europe, Canada, Mexico, Central and South America, the Caribbean, The Bahamas and Bermuda. This is an important new requirement for our cruise guests embarking or debarking in Vancouver for our Alaska or Hawaii cruises. In addition, this new requirement will also impact our Canadian guests that travel by air to or from any of our U.S. embarkation ports.

Carnival recommends that all guests travel with a valid passport during their cruise. This will enable guests to fly from the U.S. to meet their ship at the first port should they miss their scheduled embarkation and allow guests that must debark the ship before their cruise ends to fly back to the U.S without significant delays and complications.

For more information or to obtain a passport application, visit www.travel.state.gov. Passport Services (www.passportservices.com/carnival) can also assist with step-by-step instructions and application assistance.

CRUISE TRAVEL

All guests must present the required documentation at embarkation. Guests without the required documentation will be denied boarding and no refund will be issued. Please understand that Carnival will strictly enforce this requirement to be in compliance with this important U.S. Government mandate.

Proper travel documentation is required at embarkation and throughout the cruise. Even though a guest has completed registration using FUNPASS, it is still the responsibility of the guest to bring all required travel documents. Guest should check with their travel agent and/or government authority to determine the travel documents necessary for each port of call. Carnival assumes no responsibility for advising guests of immigration requirements.

U.S. citizens must present proof of citizenship in the form of a passport (valid or expired for less than 10 years), original birth certificate, state-issued certified copy of a birth certificate from the Department of Health and Vital Statistics, or original Naturalization papers.

Carnival strongly recommends guests travel with a passport since it will expedite clearance by the Department of Homeland Security.

U.S. Alien Residents need a valid Alien Resident Card. Canadian citizens must present a valid passport. Non-U.S. citizens need a valid passport and a valid, unexpired U.S. Multiple Re-entry Visa, if applicable.

Guest names on travel documents (passport, Alien Resident Card, birth certificate, etc.) must be identical to those on the cruise and airline tickets. Otherwise, proof of name change (e.g., a marriage license) OR a valid driver's license (or other government-issued photo ID) must be presented.

On occasion, non-U.S. citizens and U.S. Alien Residents may be asked to surrender their passport and/or Alien Resident Card at time of embarkation. These documents will be returned upon completion of the Immigration inspection at the time of debarkation.

Non-U.S. citizens eligible to apply for admission under the Visa Waiver Pilot Program must still have a valid, unexpired passport. U.S. State Department regulations require all guests traveling from visa-waiver countries be in possession of a machine-readable passport that includes a biometric identifier - e.g., embedded digital photograph. Otherwise, guests will be required to obtain a U.S. Multiple Re-entry Visa. Guests without proper identification may be refused boarding or entry into the United States.

For sailings to/from Europe, U.S. citizens must have a valid passport. Alien Residents and all other Non-U.S. citizens are advised to check with their travel agent or appropriate government authority to determine the necessary documents. Certain foreign nationals will be required to obtain a Schengen Visa and/or Croatian Visa.

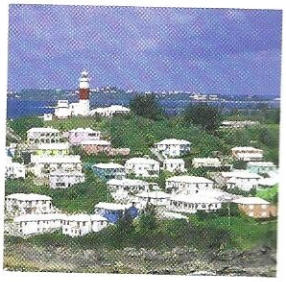
For sailings to Canadian ports of call, certain foreign nationals must obtain a Canadian visa in addition to the U.S. Multiple Re-entry Visa. Non-U.S. citizens must contact the appropriate consulates, U.S. Embassy and U.S. Immigration office to inquire about necessary travel documentation.

For sailings to Bermuda, U.S. Alien Residents must present their valid Alien Resident Card in addition to their passport or birth certificate from country of origin. These documents will be returned upon completion of the Immigration inspection at time of debarkation.

For sailings to Mexico, any guest debarking for more than 24 hours must have obtained a Mexican Tourist Card from either a travel agent or a Mexican consulate prior to their departure.

For sailings to Brazil, U.S. and Canadian citizens must carry a valid passport and are also required to obtain a Visa from a Brazilian Consulate in their country of origin. Although Visas are not required for Argentina, Chile and Ecuador, Carnival strongly advises guests to check with the official web site of these particular countries when questioning visitors travel requirements. Alien Residents must carry a valid passport from their country of citizenship and a valid, unexpired, Alien Resident Card. Non-U.S. citizens must carry a valid passport. Guests are advised to check with their travel agent or appropriate government authority to determine the necessary travel documentation.

For minors traveling without both parents/legal guardians, we strongly recommend bringing an original signed letter from the absent parent/legal guardian authorizing the minor to travel with you. This will expedite processing by the Department of Homeland Security. Please note that a notarized letter to this effect is required if debarking with children in Mexico. In addition to the above requirements, all guests 16 years of age or older must provide an official photo ID.



Carnival's VIP Check-in

Carnival's VIP Check-in is an exclusive service designed to afford guests traveling in deluxe suite accommodations with specialized registration privileges. This service is now available in Miami, Ft. Lauderdale (Port Everglades), Port Canaveral, Los Angeles (Long Beach), New Orleans, San Juan, Galveston, Tampa, Mobile, Jacksonville, New York, San Diego, Honolulu, Whittier (Anchorage), Vancouver, London (Dover), and Rome (Civitavecchia). If you are entitled to these special services, please ask for Carnival VIP Check-in immediately upon arriving at the cruise terminal.

Ships departing from Charleston and Norfolk, VIP Check-in is not available.

Fly Aweigh® Guests

Carnival's Fly Aweigh program arranges convenient flight times to and from most ports of embarkation, with an inclusive motor coach transfer service. Fly Aweigh guests must check all documentation prior to sailing to ensure tickets correspond with the correct ship and sailing date. Guests or travel agents should request advance seat assignments and boarding passes directly with the airline(s) after receiving airline tickets or airline E-ticket confirmation. Guests should reconfirm flights directly with the airline a minimum of 48 hours prior to departure and verify luggage restrictions regarding quantity, size and weight. Guests are responsible for claiming their luggage at the airport. Carnival's airport representative will advise guests how to proceed with their luggage. The luggage is usually placed in the same motor coach assigned to transfer the guest; however, on some sailings, the luggage may be placed in luggage trucks.

What about money?

U.S. currency and traveler's checks are accepted at most ports of call. While you will find traveler's checks to be safe and convenient, it's also advisable to bring a reasonable amount of U.S. currency for limited use on board and in port. For your convenience, we have an ATM aboard our ships. However, please note that the supply of money may be depleted prior to the end of your cruise. Visa®, MasterCard® and American Express® cards are accepted at the larger shops in port.

MasterCard, Discover® Network and Visa are accepted for payment for wire transfer of funds. Bank certified checks are not accepted on board.

For sailings to Alaska: It may be a good idea to obtain some Canadian currency before leaving home for possible use in Vancouver.

For sailings to Europe: Euros are the preferred currency in most ports of call. It is advisable to obtain some euros prior to arrival. All onboard charges will be processed in U.S. currency.

For sailings to South America: Although several places in Argentina and Chile do accept U.S. currency, it may be a good idea to obtain some Argentinian and Chilean Pesos.

Sail & Sign®

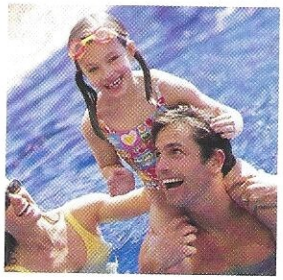
For your convenience, charges for most of your onboard purchases will be posted to your Sail & Sign account. A required application form has been included with your documents. A deposit will be required for cash accounts, and the amount will range from $100 to $350 depending on cruise duration. Carnival accepts American Express, Visa, MasterCard, Discover Network, Carnival SeaMiles MasterCard and cash for deposit on your account. Personal checks, third-party credit cards, travel funds cards, credit card gift cards and mini credit cards are not accepted on board.

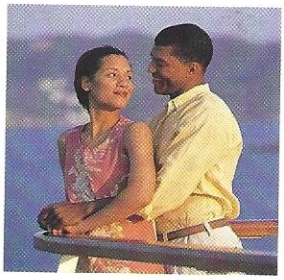
By using a credit card or debit/check cashing card, you will be eligible to take advantage of express checkout at the end of your cruise. You will receive a final statement delivered to your stateroom, and all charges will automatically be billed to your card.

Please be advised that if you are using a credit card or debit/check cashing card, a hold will be placed on your account as a deposit for your onboard purchases. During your cruise additional holds will be added if your Sail & Sign account exceeds the amount of deposit Carnival has on file. If you present a credit card, this will reduce the amount available on your credit card for other purchases. If you present a debit/check cashing card, the hold will restrict the available cash in your checking account. All charges will be billed to the credit card or debit/check cashing card presented at the end of the cruise. Please note that Carnival Cruise Lines will not be held responsible for any bank-imposed overage or insufficient funds charges on debit or credit cards.

What kind of clothing should I bring?

Casual attire and resort wear is fine for the day, both on board and ashore. For the Captain's Welcome Aboard





Cocktail Party & Gala Dinner, a dark suit or formal attire is suggested. The dress code for other evenings ranges from sport coat and tie to casual resort wear. Shorts and T-shirts are not permitted in the dining room during dinner but are acceptable in the seaview bistro. For Canada/New England cruises: Sweaters, lightweight jackets and raincoats are suggested. For sailings to Alaska: Casual clothes that can be layered easily are highly recommended. Bring a heavier sweater if you are traveling to the glaciers, along with a raincoat and umbrella, because it is often cold and windy in such areas. For everyday wear, you should bring a pair of comfortable, sturdy walking shoes with rubber soles. Lastly, pack your swimsuit; the ship has a heated pool and several hot tubs. For sailings to Europe: comfortable shoes and a just-in-case raincoat. Special note: It is essential that you wear the proper apparel when visiting the Vatican and other religious sites (no bare legs or shoulders).

Guests with Special Needs

To the extent feasible, Carnival seeks to accommodate guests with special requirements so they can enjoy our ships and other facilities. In situations where a guest with special requirements, such as a wheelchair, would be unable to be comfortably accommodated due to vessel safety barriers and other criteria, we may ask the guest to bring along a companion to assist, or to make alternative arrangements. It is mandatory that guests with any medical, physical or other special requirements contact the Guest Access Services department at 1-800-438-6744, ext. 70025, or TTY (for deaf/hard of hearing) at 1-800-972-4386 to ensure proper arrangements for special needs.

Age Policy

Guests under the age of 21 must be accompanied by a parent, grandparent or guardian 25 years or older in the same stateroom. Infants must be at least four months old to be eligible to travel. Please note that adult guests are responsible for the safety and behavior of their minor

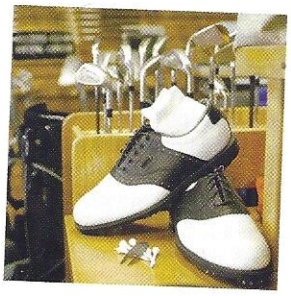
guests. Guests under the age of 21 staying at any hotel in conjunction with the Carnival Fly Aweigh program or vacation packages may be required to be accompanied by a guest 21 years or older in the same room as per each hotel's policy. Permission for minor guests to fly unaccompanied is determined by the rules and policies of each individual's airline; guests should check with their scheduled airline for eligibility. Carnival assumes no responsibility for unaccompanied guests under 21 years of age traveling by air.

Pregnancy Policy

Guests who are 27 weeks or more into their pregnancy at the time of the voyage will not be permitted to sail because of the risk of premature labor.

Carnival's Cruise Vacation Protection Plan℠

We strongly recommend that all guests purchase Carnival's Cruise Vacation Protection Plan which covers trip cancellation, interruption, baggage and contents, and medical expenses because unfortunately the unexpected does sometimes occur. The Vacation Protection Plan makes comprehensive, high-quality protection available to you at affordable prices. If you choose not to purchase travel protection, Carnival's liability is limited to baggage, contents and personal possessions to a maximum of $50 per bag, with a maximum total limitation of $100 per stateroom regardless of the number of bags. Carnival is not responsible for loss or theft of money, jewelry or other valuables kept in the stateroom or public areas on board. For your convenience, all ships have in-stateroom safes. For storage of larger valuables, there is a limited supply of safety deposit boxes at the Information Desk at no charge ($25 refundable key deposit). We highly recommend you personally carry with you any valuables, medications, breakable items and other carry-on items, including video cameras, when embarking or disembarking.



Conditions of Contract

If you look at the cover of your ticket booklet, you will see an "Important Notice to Guests." This notice directs your attention to the terms and conditions of your contract. It is important to read this and become acquainted with the specific conditions and limitations of your cruise, including time limitations and the proper venue in which to file suit. Carnival reserves the right to cancel or substitute any scheduled port of call at any time and for any reason whatsoever without prior notice and shall not be liable for any loss to guests by reason of such cancellation or substitution.

Weapons, firearms, ammunition, explosives, incendiary devices or other dangerous goods are strictly prohibited aboard the vessel. Please see section 4(f) of ticket contract for further details. Please note that candles, incense and other flammable materials are not allowed on board.

Code of Conduct

We welcome you on board and wish you a wonderful vacation on our ships. We want every guest to have a truly enjoyable cruise experience. Accordingly, please be considerate of your fellow guests while on board. Carnival will not tolerate any behavior that affects the comfort, enjoyment, health, safety or well-being of other guests or our crew. We reserve the right to refuse or discontinue passage to anyone who, in Carnival's judgment, is conducting themselves in a manner that adversely affects the cruise experience of others. Please refer to paragraphs 6(b) and 24 of your ticket contract for more details on this important policy.

Change in Itinerary

When practical, Carnival will promptly notify guests of a pre-cruise itinerary change through their travel agents, or directly in the case of direct bookings. Carnival will offer such guests an opportunity to cancel their cruise without penalty within 24 hours. No additional compensation for the itinerary change will be offered at a later time. If an itinerary change occurs while a ship is at sea or when notice prior to sailing is not feasible, Carnival will attempt to substitute an alternative port. No compensation will be provided to passengers when an alternative port is offered. If an alternative port is not provided, guests will receive a shipboard credit of $20 per guest. The Vacation Guarantee will not be affected by this policy. The complete itinerary change policy is posted at carnival.com.

Baggage Advice

There is no limit set by Carnival as to the amount of baggage brought on board. However, the airlines do have restrictions, and it is up to the guest to check with the airline he/she is flying on. Please complete the information on your Carnival Cruise Lines baggage tags and attach them to your luggage PRIOR to leaving home.

In many ports, guests have the option of carrying baggage on board at embarkation and off the ship at the end of the cruise as long as it does not exceed 24"w x 16"h. This is an advantage you may want to consider as it will allow for quicker and easier access to your bags. Please note that Carnival assumes no responsibility for carry-on baggage.

Alternatively, curbside porters are available at the pier to take baggage to the vessel for delivery to your stateroom by shipboard personnel. Customary tip is $1 per bag. Please be sure each piece of baggage is locked and has a tag listing your name and stateroom number. Curbside porters are not employees of Carnival; therefore, if you experience any problems, please report them to porter management on site. Any baggage left at the pier will be forwarded at your expense. Claims for baggage loss or damage must be made in writing to the debarkation personnel prior to leaving the pier area.

Helpful Details

Medical Services

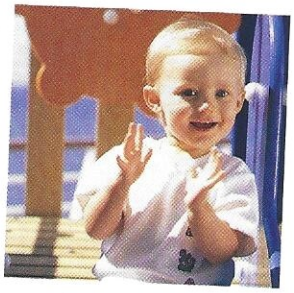
Should you require medical attention while on board, the infirmary staff is available to assist you 24 hours a day. Our shipboard infirmaries meet or exceed the Medical Facilities Guidelines established by the International Council of Cruise Lines and the American College of Emergency Physicians. The medical staff is from the fields of Emergency Medicine and/or Family Practice and is certified in Advanced Cardiac Life Support.

Our physicians are independent contractors and, as such, are entitled to render services at a customary charge. The charge for their services and any other medical expenses will be applied to your Sail & Sign account. Should you require hospitalization, surgery or treatment for a serious condition, we will make arrangements to transfer you to a medical facility ashore. The ability to transfer you to a shore-side facility may be limited or delayed by weather or logistical considerations. If you are referred to a shore-side facility, Carnival will not be responsible for the cost of the treatment. Your health insurance coverage may not be accepted at the shore-side facilities and ports of call; however, you may be able to seek reimbursement from your insurance carrier after you return home. Refer to your individual health insurance policy for details. We recommend that you purchase the Carnival Cruise Vacation Protection Plan as it provides for reimbursement of unexpected medical expenses up to plan limits.

If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. If you are taking medication or want the medical staff to be aware of special needs, please contact our infirmary. This will ensure they will be prepared if you need assistance.

If you contract a contagious disease, or even suspect a contagious disease, you are required to report to the ship's infirmary for the safety of everyone on board.

If you require intramuscular or subcutaneous injections to treat a medical condition, please avoid injury to our crew members and other guests by using a Sharps container to dispose of needles. If you need an additional Sharps container while on board, please advise your Stateroom Steward or the Information Desk.



Medications

Hand-carry required medications in your pocket or purse so that they will be available when needed. Checked luggage may not be accessible at all times.

If you are taking prescription drugs, vitamins or other medications on a regular basis, bring an adequate supply with you since these may not be readily available on board ship or in ports of call. Commonly used medications may be purchased at the office of the shipboard doctor. Please note that the Camp Carnival staff does not administer medications to children.

Will I get seasick?

Seasickness is rare on ships as large as ours. All our ships are equipped with stabilizers that are designed to keep them smooth and steady in the water. If you should feel queasy, medicine is available from your Stateroom Steward, the Information Desk or the ship's infirmary.

What about electrical appliances?

The current in all "Fun Ship" staterooms is 110 volts AC and is capable of handling all normal appliances such as electric razors, hair dryers and curling irons. (Please be certain to unplug the curling iron when not in use.) However, we do not allow the use of heating items such as irons or heating pads in the staterooms as these items can be a fire hazard.

Can I bring a radio on board?

You are welcome to bring radios and CD/cassette players for your private enjoyment. However, for the comfort of other guests, we request that headphones or earpieces be used in public areas.

Are there babysitters?

Babysitting for children 11 years old and under is available from 10:00 p.m. to 3:00 a.m. every evening in Camp Carnival and is supervised by our specially trained Youth Counselors.

Babysitting is offered in the form of a Pajama Party, and pillows, blankets and cribs are provided. The cost is $6 per hour for the first child in the family and $4 per hour for each additional sibling. We also offer morning care for children under the age of two on port days, from port arrival time until noon, for the same charge.

What about towels?
Beach towels are available in your stateroom for use on deck and in port. They're also available for purchase and make great souvenirs.

What To Do With Your Valuables
We're sure you'll want to bring your camera, jewelry and other valuable items on your cruise. However, the ship cannot accept responsibility for any articles left in your stateroom, public areas or packed in your luggage. We suggest you use your stateroom safe or a safety deposit box available at the Information Desk.

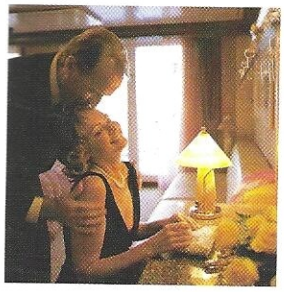
Where is Lost and Found?
Unfortunately, important items are sometimes misplaced. If you do lose a personal possession while on board, report it to Lost and Found located at the Information Desk. If you find an item belonging to another guest, please help us reunite it with its owner by turning it in there. Any item that remains unclaimed at the conclusion of the cruise will be sent to our executive offices in Miami.

Tipping
How much you tip is purely a personal matter and completely up to you. However, we do have many guests who ask for some guidelines in regard to what is appropriate. For your convenience, we automatically add the gratuities for your dining and stateroom services to your onboard Sail & Sign charge account.

The total amount is $10.00 per guest, per day (our recommended guideline) as follows:
$ 3.50 Per Day Stateroom Services
$ 5.50 Per Day Dining Room Services
$ 1.00 Per Day Alternative Services: distributed to other kitchen and hotel service staff

For Cruises-To-Nowhere, gratuities of $10 per guest, per day must be prepaid

Our Staff is totally committed to exceed your expectations in every way possible. If you are not satisfied with the service you receive, we encourage you to contact the Purser's Information desk while onboard. This will allow us



to address your concerns in a timely and appropriate fashion. At your discretion, you may adjust the gratuities at any time.

For beverage purchases, fifteen percent of the bill is automatically added to the Sail & Sign charge. Room Service staff may be tipped as service is rendered. Tipping your Maître d' is at your discretion, based upon the service you receive.

Photographic Experiences
On formal nights you can have a professional portrait taken of you and your loved ones at any of our portrait studios. All photos are displayed and are available for purchase in the Photo Gallery. Special photo requests can be made by appointment. The Photo Gallery also offers a wide range of products and services such as films, cameras, albums, canvas prints and a one-day developing service. Please visit the Photo Gallery for details.

We encourage you to take as many photos as possible; there is never any obligation to buy. Just have fun.

Video Services
Your Carnival Cruise Lines vacation is sure to be a cherished memory for years to come. And one way to bring the fun home with you is on a "Fun Ship" Films DVD. Our team of professional videographers is here to capture all the highlights of the best activities, tours and more of your cruise. Your DVD will be ready for you to take home before you leave the ship. Remember to reserve your copy at the Photo Gallery or Shore Tours Desk.

Birthdays and Anniversaries
If you're going to celebrate a birthday or wedding anniversary during your cruise, please contact the Maître d' for celebratory packages at a nominal charge.

Religious Services
A chaplain may be on board for Christmas, Palm Sunday and Easter services.

Liquor and Beverage Policy

Guests are prohibited from bringing alcoholic beverages onboard. However, guests (21 years and older only) may bring one bottle of wine or champagne per person on board only during embarkation at the beginning of the cruise. A $10 corkage fee per bottle will be charged should you wish to consume this wine in the dining room or a $14 corkage fee per bottle in the Supper Club. Guests may bring a small quantity of non-alcoholic beverages.

All alcohol, additional quantities of wine/champagne or excessive quantities of non-alcoholic beverages will be confiscated and discarded without compensation. Guests may purchase a variety of beverages on board the ship. **Alcoholic beverages will not be sold or served to anyone under the age of 21.** We reserve the right to refuse the sale of alcoholic beverages to anyone. Alcoholic beverages purchased in the ship's gift shops or in ports of call will be retained by Carnival until the end of the voyage.

Can I do my laundry?

Your ship has at least two self-service launderettes located on the stateroom decks, each with two or three coin-operated washers and dryers and one iron and ironing board. Vending machines dispense single-use packages of detergent and softener. Washing machines are not available while the ship is in port.

In addition, there is also valet laundry service on board for washing and/or pressing for a fee. Dry cleaning is not available. Service is handled through your Room Steward.

Communicating With the Outside World

Can I make and receive telephone calls?

You can direct-dial your family and friends via satellite from your stateroom at any time during your cruise. Information, instructions and charges are found in the ship's directory in your stateroom. Please note that since communications at sea are via satellite, guests cannot use calling cards, credit cards or dial collect. Your friends and family can also contact you via the Maritime Telecommunications Network (MTN) Shore-to-Ship telephone service by calling 1-877-CCLSHIP (1-877-225-7447) or 1-732-335-3284. A nominal per-minute charge applies.

Will my cell phone work out at sea?

You can now use your cell phone on all Carnival ships. International roaming charges will apply. Call your cell phone carrier for more details.

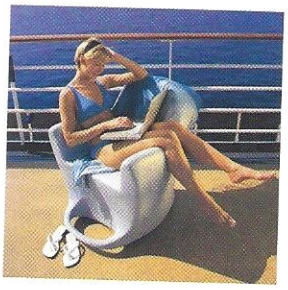
Where do I mail a postcard?

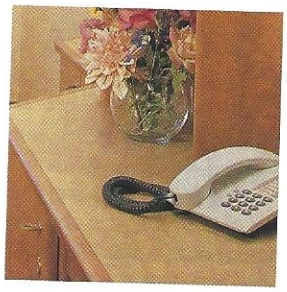
Mail postcards at the Information Desk. You can also buy local stamps there since postal regulations of the various ports require that you use local stamps.

Can I check my e-mail and surf the Internet?

Stay in contact with loved ones back home by e-mail or instant messaging. The Internet Café is open 24-hours a day, with a manager on hand during posted times. It features private workstations with the latest flat-panel computer terminals, which are equipped with WordPad. The Internet is accessed via satellite modem.

Guests can send and receive e-mail and access Internet sites. You can access your home account through AOL®, Hotmail, Juno® or Yahoo!®, or set up a temporary account on board with our Cruise E-mail™. Files can be downloaded as "read only" but cannot be saved since a floppy disk cannot be

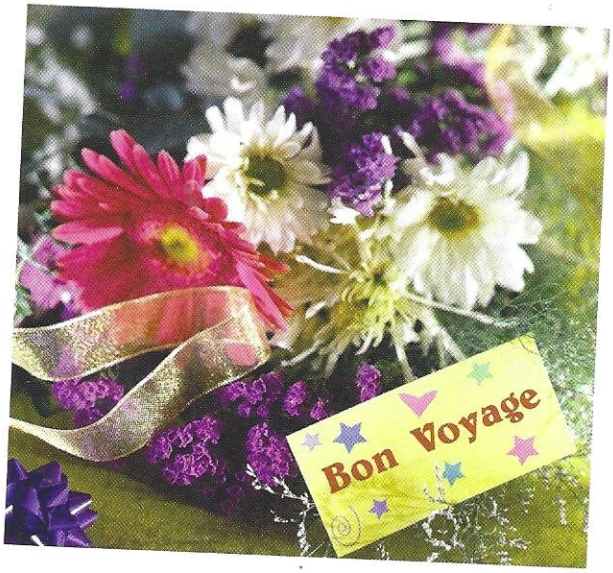




inserted into the PCs. Remember to bring your address book and your own e-mail domain password. Packages of minutes or per-minute charges are available and will be billed directly to your Sail & Sign account.

Wireless Internet

Guests are encouraged to bring personal laptops and PDAs on board and take advantage of our Wireless Internet service. If your laptop is not equipped with a WiFi card, you can rent one from the Internet Café. For more information on software and system requirements go to carnival.com. On all ships wireless Internet is available ship-wide, including staterooms. However, on most ships, even with the wireless service, guests' personal laptops must be used in close proximity of the Internet Café. They cannot be used in staterooms.

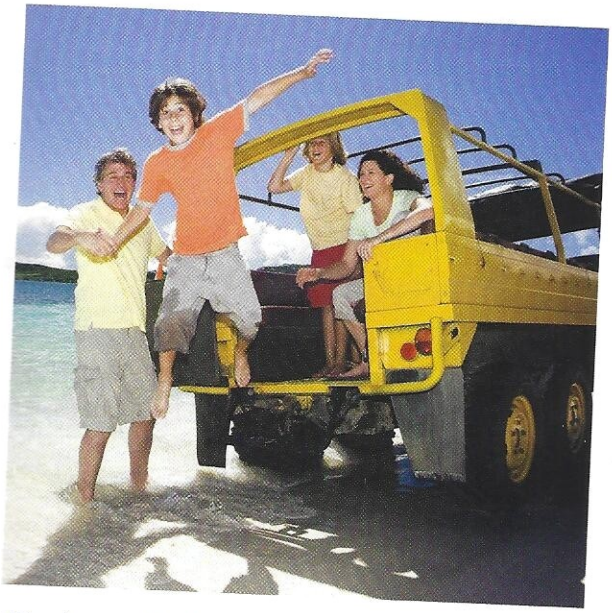


Bon Voyage Gifts

Through our Bon Voyage program you can wish friends and family happy sailing with going-away gifts to enhance their cruise. Surprise them with a beautiful bouquet, wine or champagne, fruit and cheese, or other fine delicacies. We can arrange for welcome offerings of photo coupons, bar coupons and stateroom decorations. We'll even put together a special-occasion package to help celebrate a

birthday or anniversary. We also offer Carnival signature apparel, tote bags and lots of items for kids. To browse our entire selection and place an order, visit carnival.com and select "gifts." Or call 1-800-522-7648.

Bon Voyage also offers formal wear rentals for men and women.

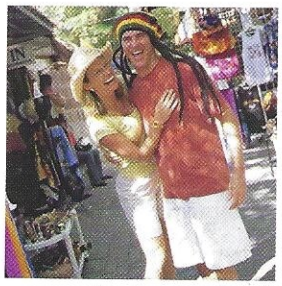


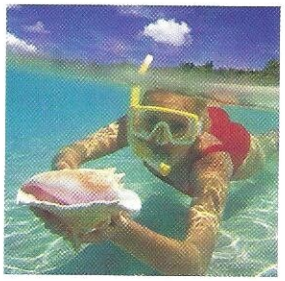
Going Ashore

Shore Excursions

Participating in a shore excursion is the best way to get the most out of your visit to each port of call. It relieves you from having to make your own sightseeing arrangements and gives you the opportunity to see the highlights. Carnival constantly upgrades the shore excursion packages to make sure the best possible selections are available. Your choices range from island sightseeing trips to fun-filled Jeep® adventures, horseback riding, snorkeling and many other exciting activities.

All guests with a fully deposited "Fun Ship" cruise booking can pre-purchase shore excursions up to six months prior to the sail date by using their booking number to register online at **carnival.com/shoreexcursions.** Once registered,





you will have access to all of the shore excursions and pricing applicable to your specific itinerary. Pre-purchased shore excursions will be confirmed online at carnival.com, and tickets will be delivered to your stateroom on the first day of the cruise. Review your tickets carefully, paying special attention to the meeting place and departure time as this information may have changed between the time of booking and your sail date.

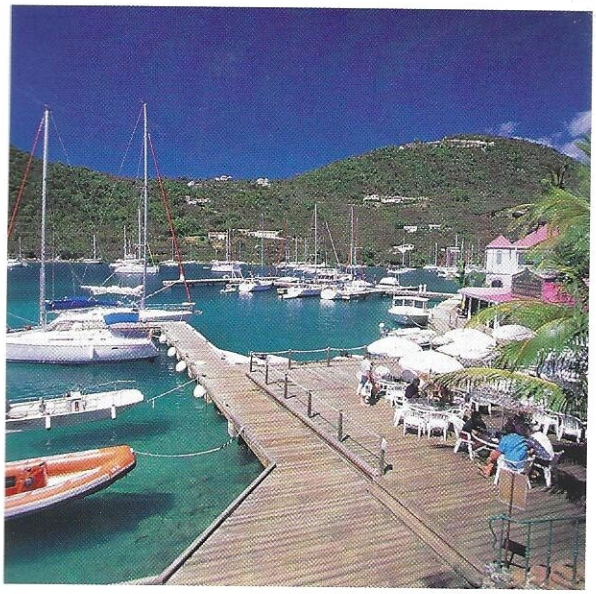
Shore excursion descriptions and ordering information can also be found in your stateroom. Further information can be obtained at the Shore Excursion Desk as well as the Information Desk in the main lobby. Your Cruise Director and Shore Excursion Manager will hold an informational Travel Talk during the cruise. Please consult your *Carnival Capers* for time and location.

Your Shore Excursion staff is dedicated to helping you make the most out of each port of call on your cruise. If you have any questions regarding the excursions offered, stop by the Shore Excursion Desk and the staff can help you make the right choices.

Please note all excursions are operated by independent on-shore vendors and are sold on board as a convenience to our guests. Guests engage in all activities off the vessel at their own risk.

Boarding Card and Ship Access

Your Sail & Sign card will serve as your boarding card. This card identifies you as a Carnival guest and must be carried with you, along with picture identification, when you go ashore. Since the ship is closed to the public while docked at the various ports of call, you'll have to show your Sail & Sign Card and picture I.D. to the officer on duty in order to return on board.



Will I have any problems with money on shore?

U.S. currency and traveler's checks are accepted at most ports of call we visit. Store owners will honor most credit cards but personal checks aren't usually accepted.

Can I use the ship in port?

Yes, by all means. While in port your ship is still your home, and you should feel free to leave or return any time, day or night.

Language is No Barrier

You won't encounter any language problems. Almost everyone speaks English, even if it is with a slightly different accent.

Hospitality

The majority of residents at our ports of call are friendly and anxious to serve you. They recognize the importance of tourism to their economy and do their best to make you feel welcome. However, it is important to use common sense when visiting a port of call and to remember the general rules of safety and security when walking in foreign cities.

Coming Home

Disembarking

All guests must present proof of citizenship to an inspector from the Department of Homeland Security upon disembarking the vessel. Carnival strongly recommends that you travel with a passport since this will expedite your debarkation process. You will also need to have your Sail & Sign card on hand to "check out" of the ship's security system.

Claiming your Luggage

Claiming your luggage has been simplified by color-coding your baggage tags. For example, if your bag has been given a green tag, you simply go to the area where green-tagged luggage is being claimed. It is easy to pick up the wrong bag, so check to make sure your name is on it. If your luggage is left at the pier, it will be forwarded to you at your expense. Claims for lost or damaged luggage must be made in writing with our debarkation personnel before you leave the pier area.

Making Customs Easy

Customs is rarely the ordeal many people imagine it will be. In fact, it is usually a formal but brief check of luggage and declared merchandise. Just remember that Customs inspectors are there to protect us from smugglers and illegal imports, not to harass happy travelers. Everyone and everything must clear Customs. Your cooperation will make it easier for all involved.

What do I have to fill out?

Part of going through Customs consists of declaring merchandise you have purchased abroad and are bringing back into the country. You will fill out a Customs Declaration Form while on board and present it to the Customs inspector when going through Customs.

The instructions on the form are self-explanatory. However, you will also find a thorough explanation of Customs procedures and debarkation procedures in *Carnival Capers* on the last evening of your cruise. In addition, your Cruise Director will provide a debarkation briefing prior to the last day. If you have any questions please feel free to ask our staff.

What do I have to declare?

You must declare all merchandise you have purchased or acquired abroad and are bringing back into the United States or Canada. That includes items you have purchased in duty-free shops and in port as well as items you have received as gifts. It also includes items you have begun to use or are wearing. However, it does not include items that have been shipped directly from Mexico, the Cayman Islands or Canada which will be assessed a duty when they enter the country. Items shipped back from other countries must be declared and Customs Form 255 filled out upon your return to the United States.

What is my duty-free allowance for foreign purchases?

For cruises that call at any of the U.S. Virgin Islands, U.S. residents are permitted up to $1,600 (retail) of duty-free purchases, including five liters of liquor per adult, of which at least one must be a product of the U.S. Virgin Islands. Of the $1,600, no more than $800, including one liter of liquor, one carton of cigarettes and 100 cigars (non-Cuban), may be purchased in other ports or on board. U.S. residents sailing along the West Coast and on cruises from New York are allowed up to $800 (retail), including one liter of liquor, one carton of cigarettes and 100 cigars (non-Cuban) per adult. For all other ships, U.S. residents are allowed up to $800 (retail), including two liters of liquor per adult, depending on the port of purchase. Other restrictions may apply. Specific information will be provided aboard ship. Non-U.S. residents must comply with Customs laws in their country. Check with Customs for guidelines on current requirements.

Important Information

Safety Precautions

Fires are dangerous. For this reason, we ask that everyone adhere to the following fire safety rules. Please do not smoke in bed. Please refrain from throwing any items overboard, including cigarettes, matches or hot ashes; they can blow back into the ship and create a fire hazard. Prior to leaving your stateroom and at night, bring in all personal belongings and towels left on the balcony. For your convenience, we have placed ashtrays in various locations throughout the ship. Please properly extinguish smoking materials and smoke only in our smoking designated areas. Never leave smoking materials unattended. Thank you in advance for your cooperation.

While you are getting used to the layout of the ship, be careful in doorways, on thresholds and stairs, and watch your step. Please use the stair's handrails when ascending and descending.

In the stateroom we recommend that you keep the floor clear of obstructions. It is a good idea to leave a light on at night (such as the bathroom light) so when you awaken you can see the stateroom clearly. The use of irons, heating pads and candles is prohibited in the staterooms. Make certain to unplug curling irons when not in use.

For everyone's safety, we ask that you do not run through the ship and that you take extra care on wet decks. Children are especially requested not to run or play on the stairways. When entering or leaving a room, be careful of the doorsills. You will find a ladder in your cabin to get in and out of the upper berths. When you use it, make sure it is firmly secured. Your Stateroom Steward will be happy to assist you. You will also find safety hooks on some of the furniture which we ask you not to remove.

Emergency Drills

Prior to sailing, everyone will go through a mandatory Safety Drill. If at any time you hear the emergency signal, put on your life preserver and go to your Muster Station. You will find the location of your station by reading the instructions posted in your cabin. The Captain and his officers will direct you once you have reached your Muster Station. Remember that these drills are performed in the interest of guest safety. They are conducted in accordance with the rules of the International Convention for Safety of Life at Sea, signed in London in 1948. All Carnival ships meet international safety standards developed in 1960 for new ships and meet the latest fire safety requirements.

Life Jackets

Life jackets are required for everyone. Make sure that there are sufficient life jackets for each person in your stateroom at embarkation time. If there are not, speak to your Stateroom Steward who will locate additional jackets. Children's life jackets are available upon request.

Ship's Plumbing

All guests are requested not to throw extraneous objects into the wash basins or toilets. The drain pipes are sensitive and repairs may be difficult while the ship is at sea or in foreign ports. Please use the wastebaskets and receptacles in the bathrooms.
